## EDUCATION

### University of Ottawa

BSc with Honours in Computer Science, Data Science Option

Ottawa, ON

Sept. 2018 – Dec. 2022

## PROJECTS

### DeltaCore | PaperAPI, Java, Maven, Git

May 2020 – Present

- Plugin for Minecraft server owners, written in Java
- Implements asynchronous database loading and dynamic data caching
- Utilizes custom in-game GUI to facilitate player management for administrators
- Supports both flatfile and remote storage options, such as Json, H2, MongoDB, and SQL

### Simple Menus | Java, Commons Lang, TravisCI, Maven, Git

April 2021 – Present

- Lightweight API for creating menus in command line interfaces, written in Java
- Facilitates menu creation by defining header style, menu title, menu options and their associated actions
- Full navigation support allows menu linking and backwards navigation
- Supports screen clearing, cursor relocation and colors using ANSI escape codes
- Uses TravisCI for automated testing and deployment

### Service Novigrad | AndroidX, Java, Gradle, CircleCI

Sept. 2020 – Dec. 2020

- Android application for a district to provide services to its residents
- Provides built-in services such as driver's license, photo ID, and health card
- Uses CircleCI for automated building and deployment of artifacts via GitHub

## EXPERIENCE

### Hydroponics Design Engineer

Jan. 2019 – Aug. 2019

University of Ottawa

Ottawa, ON

- Designed a greenhouse shed for Aboriginal community in Quebec with a custom-made hydroponics system
- Worked with aboriginal community members to ensure the project met their needs & requirements
- Collaborated in small group to design structural and electronics system
- Hand-delivered and setup near community town hall in Summer 2019

### Camp Counsellor

June 2018 – Sept 2019

Ottawa Athletic Club

Ottawa, ON

- Organized and led a variety of small and large group activities
- Communicated with parents about children's experiences and reported concerns to superiors
- Maintained accurate program records including incident reports, logbook documentation, and attendance

### Taekwondo Instructor

March 2013 – June 2018

Saroughi Martial Arts

Ottawa, ON

- ITF Black Belt 1st dan, awarded by Senior Master Sam Saroughi, 8th dan
- Provided instruction for large classes of all ages; 3 years teaching experience
- Supervision of official belt testings

## TECHNICAL SKILLS

**Languages:** Java, Python, SQL (Postgres), C, L<sup>A</sup>T<sub>E</sub>X, HTML/CSS, R, Dart, Go, Scheme, Prolog

**Frameworks:** JUnit, Flutter

**Developer Tools:** IntelliJ IDEA, Maven, Git, TravisCI, Gradle, Android Studio, PyCharm, VS Code, R Studio

**Libraries:** AndroidX, Matplotlib, Gson, Apache Commons

## RELEVANT COURSES

**Computer Science:** Introductory Java/Python/C courses · Data Structures & Algorithms · Databases I · Intro to M.L.

**Math:** Calculus I, II, III · Intro to Linear Algebra · ODE & Numerical Methods · Probability & Statistics

## OTHER INFORMATION

**Languages:** English, French (DELF B2 Certified), Farsi

**Interests:** Grappling, Striking, Hockey, Weightlifting, Cooking, Coding
